Incomplete and/or illegible information may result in delayed coverage. If any item is not applicable, write "N/A." Be sure to sign and date the form.
- **Member information:** Please check the dental insurance program you have selected which is offered by your employer. Include your current address to ensure all pertinent mailing information will reach you. Your Social Security number is critical as all claims for you and your dependents are processed using your Social Security number. Please keep in mind that dental and vision cancellations are effective December 31 of the calendar year in which you are enrolled. You cannot cancel mid-year. You can only cancel or enroll during the annual enrollment period which is held every fall.
- **Enrolled members:** Including yourself, please list the gender, name, birthdate (month, day and year) and Social Security number of every eligible dependent to be covered under the requested insurance program. Please list surnames of dependents which differ from yours. For every dependent covered by another group plan, complete the appropriate dental carrier name(s). Make sure complete information is given for every dependent covered by other plans for coordination of benefits. Incomplete information may result in delayed claims processing. If you decline enrollment in this plan for yourself and/or any of your dependents (including your spouse) because of other dental insurance coverage, you may in the future be able to enroll the omitted individual(s) in this plan during the next calendar year after the other coverage of the individual(s) ends. ("Decline enrollment" includes omission of the individual from this application).
