Parking Information

Students are to park in caregiver parking areas only. Caregiver parking stalls are generally indicated by blue striping (exception: LDS Hospital). Parking is very competitive at all five hospitals and we need to ensure that our patients and guests have access to parking spaces. Please leave parking spaces/stalls, which are closer to the hospital, open for patients.

Alta View Hospital: Caregiver parking areas are located to the east of the Intermountain Sandy Clinic, to the north of the Women's Center, and in the far south parking lot.

Intermountain Medical Center: Caregiver parking areas are located on the south and west ends of the main parking lot. Shuttles are available every few minutes to transport guests (including students) and caregivers to each building on campus.

LDS Hospital: You may park anywhere in either parking garage on C Street. Please do not park on the street.

Riverton Hospital: Caregiver parking areas are located on the far ends of both the east and west parking lots.

TOSH: The caregiver parking area is located in the south parking lot (green area on map).

Employee Parking Map

The map shows the layout of the hospital and its surrounding parking areas. Key locations include:

AS AN EMPLOYEE WE ASK THAT YOU PLEASE USE THE INDICATED EMPLOYEE PARKING AREAS

THANK YOU

A detailed map of the LDS Hospital campus. The map is oriented with North at the top, indicated by a compass rose. The main building, labeled "LDS Hospital", is a large, irregularly shaped structure. It has several entrances: "9th Avenue Entrance" at the top, "Emergency Entrance" on the right side, and "Main Entrance" at the bottom. To the north of the main building is a rectangular area labeled "Physician Tower", which is adjacent to "Medical Staff Parking" and "Patient Parking". To the east of the main building is another rectangular area labeled "Medical Plaza", with "Patient Parking" and "Intermountain Surgical Cntr." (partially visible) to its right. To the west of the main building, there is an "Education Center Entrance" and an "Employee Parking" lot. Further west, along B Street, is a "Visitor Parking" lot and a "Colonial House" building. The map is bounded by "10th Ave" at the top, "9th Ave" and "8th Ave" in the middle, and "7th Ave" at the bottom. Vertical streets are labeled "B Street", "C Street", and "D Street".

Map of the University of North Carolina at Chapel Hill campus showing the location of the new building. The map includes a legend for parking areas: Blue P for Patient/Visitor Parking, Red P for Emergency Parking, Green P for Physician Parking, and Brown P for Staff Parking. The new building is highlighted in blue and numbered 1, 2, and 3. The map also shows major roads like 3600 West and 12600 South, and a North arrow.

Parking Information

Due to limited parking, students must park in specified lots, noted below. During construction parking may change, talk with your Intermountain supervisor/preceptor or the facility's Security department to keep informed of parking changes.

American Fork Hospital: Students must park on the east side of the hospital. Turn east on 90th North to drive to the east side of the hospital. Park in the caregiver parking lot.

Orem Community Hospital: Students must park in the most westerly lot located east of the soccer field and west of the Women's Center. Enter through the ER entrance. Cars parked illegally will be booted or towed by University Towing (801-377-8200).

Utah Valley Hospital: Students must park in the lots located on the south end of campus. Enter lots on 300 West and on 800 north. These lots do not have access from 940 North.

- Parking violations:
- For the first parking violation, the student will be issued a warning.
 - The second violation will include a tire boot and a \$35 fine to remove and a loss of parking privileges. Fines are paid at the facility's Cashier's office. Once paid the student must contact the Security Officer to remove the tire boot.
 - For the third violation, the car will be towed by University Towing (801-377-8200) at the owner's expense.

To report a parking safety concern, contact the security officer at 801-357-7266.

- Spanish Fork:
- Students can park in any employee parking lot.
