Intermountain Health

Add EAP to your mobile device home screen

iOS

- **Open a web browser application** such as Safari, and navigate to intermountainhealthcare.org/eap

- **Open sharing options** from the bottom of your phone (not website) screen

- Scroll down and select **"Add to Home Screen"**

- Tap **"Add"** in the upper right corner

- This page will now appear as an app on your home screen

Android

- **Open a web browser application** such as Chrome, and navigate to intermountainhealthcare.org/eap

- **Tap the three vertical dots (⋮)** in the top right corner of your phone (not website) screen

- Select **"Add to Home Screen"** from the drop down menu

- Tap **"Add"** in the upper right corner

- This page will now appear as an app on your home screen
