KAREN K. HANSEN MD HONORARY LECTURE

Should I Call Child & Family Services? What Pediatric Clinicians Should Consider Before Making a Report

- Articulate that reporting to child protective services is common and disproportionately impacts a subset of families.
- Identify a strategy to distinguish between those families who should be reported to child protective services and those that would be better served by a different intervention.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Health, Intermountain Children's Health, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Health is accredited by the ACCME to provide continuing medical education for physicians. AMA Credit: Intermountain Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Intermountain Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This activity is being jointly provided by Intermountain Health, Intermountain Children's Health and the Department of Pediatrics at the University of Utah School of Medicine. This live activity offers a maximum of 1 nursing contact hour. Successful completion is attendance at entire event. No commercial support is being received for this event.
