Recognizing Our Children's Health Donors

Intermountain Health

Intermountain Foundation

Thank You

A Message to our Donors

We are proud to share this year's Children's Health Honor Roll — a tribute to the generosity and compassion of those who make our mission possible. Every donor listed here plays a vital role in helping Intermountain Health build the nation's model health system for children.

Your support is more than a gift — it's a powerful statement of belief in a brighter, healthier future for every child. Together, we are transforming pediatric care, driving innovation, and delivering on our promise to keep *The Child First and Always*.

Because of you, children and families across our community experience hope, healing, and extraordinary care. Thank you for being part of this journey and for helping us shape a future where every child has the chance to thrive.

We are deeply grateful for your partnership. Our patients and families are blessed because of your continued generosity, compassion, and belief in this important work. Thank you.

We strive for accurate reporting, but occasional errors may occur when compiling large donor lists. If your name was inadvertently omitted, included, or misspelled, please let us know by emailing DonorRelations@imail.org.

Leadership Giving

Our leadership donors, recognized on our Primary Children's donor walls for their generous cumulative giving of $25,000 or more, are essential in shaping our mission and ensuring a brighter future for the children and families we serve. Their commitment profoundly impacts our work, and we are deeply grateful for their partnership.
