A broadcast is available in the Modersitzki Family Education Center, Rooms 1 & 2 at the Miller Campus of Primary Children's Hospital in Lehi

OCTOBER 2025 - PREGNANCY AND INFANT LOSS AWARENESS MONTH

OCT 2

Khanh Lai, MD

Associate Professor of Pediatrics (Clinical)
Medical Director of the Bronchopulmonary Dysplasia Clinic
University of Utah School of Medicine

Interdisciplinary Care of Children with Moderate to Severe Bronchopulmonary Dysplasia

- Describe updates in BPD inpatient management.
- Discuss the outpatient interdisciplinary management of children with moderate to severe BPD.
- Outline home oxygen therapy guidelines for children with chronic lung disease (CLD) of prematurity.
- Examine long-term outcomes in children of BPD or CLD of prematurity.

OCT 16

Erin Avondet, MD

Pediatric Hospitalist, Division of Pediatric Hospital Medicine
Medical Director of the Primary Children's Connector Service
University of Utah School of Medicine

The Determinants and Drivers of Child Health: Tools, Teams, and Trust for Transforming Care

- Describe the key social, political, and environmental determinants of child health and explain how these factors contribute to persistent health inequities, particularly among children with medical complexity.
- Identify practical tools and local/national resources that can support families in addressing downstream outcomes of the drivers of health, including housing, food security, transportation, and care coordination.
- Recognize the role of pediatricians and interdisciplinary teams in mitigating health disparities through advocacy, care management, and systems-level interventions.

OCT 30

Sanghamitra M. Misra, MD, MEd, FAAP, ABIHM

Medical Director, Texas Children's Mobile Clinic Program
Director, Integrative Medicine Program, Texas Children's Hospital
Professor, Clerkship Director, UME Director
Department of Pediatrics, Baylor College of Medicine

OCT 9

Timothy M. Bahr, MD, MS

Assistant Professor of Research
Intermountain Health
Adjunct Assistant Professor of Pediatrics
University of Utah School of Medicine

ROBERT D. CHRISTENSEN ENDOWED LECTURE IN NEONATAL-PERINATAL MEDICINE :

Prevention and Preparation: Optimizing Care for Infants with Hemolytic Disease of the Fetus and Newborn

- Describe the burden of disease for hemolytic disease of the fetus and newborn.
- Discuss national consensus guidelines for caring for infants with hemolytic disease of the fetus and newborn.
- Identify innovations in the care of fetuses and newborns with Hemolytic Disease of the Fetus and Newborn.

OCT 23

Suzanne Liu, MD

Assistant Professor
University of Utah School of Medicine

Melissa A. Wright, MD

Assistant Professor
Department of Pediatrics,
Division of Pediatric
Neurology
Director, Pediatric
Autoimmune Neurology and
Neuroimmunology Center
University of Utah School of
Medicine

From Anecdote to Evidence: Research Challenges and Priorities in Pediatric Autoimmune Neurology

- Describe the main challenges to evidence-based management of rare autoimmune neurologic conditions in children.
- Discuss the current clinical trial landscape in pediatric autoimmune neurology and most pressing research priorities.

Pediatric Mobile Clinics: Providing Healthcare to the Most Vulnerable Children

- Describe core operational components of a pediatric mobile clinic.
- Explain how geo mapping can help optimize routes and sites to improve healthcare access for pediatric populations.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Health, Intermountain Children's Health, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Health is accredited by the ACCME to provide continuing medical education for physicians. AMA Credit: Intermountain Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Intermountain Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This activity is being jointly provided by Intermountain Health, Intermountain Children's Health and the Department of Pediatrics at the University of Utah School of Medicine. This live activity offers a maximum of 1 nursing contact hour. Successful completion is attendance at entire event. No commercial support is being received for this event.
