Corporate Partnership Opportunities

2025 Corporate Partnership Levels

Send a powerful message that you support the community

We invite you to join us in our mission!

All proceeds benefit St. Mary's cancer fund

The St. Mary's cancer fund ensures that we can meet the community's oncology needs now and for the future. Corporate partner gifts benefit all areas within the cancer program, especially those that demonstrate the greatest immediate need. For instance, the St. Mary's cancer fund donations may help to purchase new technology, software, infusion chairs, monitoring equipment, hire and retain critical staff, and much more! The costs associated with the treatment and prevention of cancer are significant and every investment, no matter how large or small, can make an impact.
